New Regional Bus Service expands to serve Franklin, Brentwood, Thompson's Station and Spring Hill to Downtown Nashville

A New Choice for Your Work Commute

The Regional Transportation Authority (RTA) has expanded its regional bus service with the addition of two new bus routes that serve residents living in Williamson and other nearby counties.

The routes from Nashville to the Franklin/Brentwood and Thompson's Station/Spring Hill areas operate during rush hour. The cost is \$3.50 per ride or \$60 for a 20-Ride pass. If your company participates in the MTA/RTA EasyRide program, use your smart card or company ID to ride.

Buses for the routes are equipped with:

- Large comfortable seats
- Restrooms, televisions, and can accommodate up to 56 passengers, including those using wheelchairs

"This new regional service is a great way to improve one's morning commute," said Patricia Harris-Morehead, RTA Director of Communications. "Customers can experience a stress-free ride, save money, and help the environment by reducing auto emissions and traffic on our highways."

The 91X and 95X service is provided through an RTA contract with Gray Line. The RTA also provides other weekday service between Nashville and Hendersonville, Gallatin, La Vergne, Smyrna and Murfreesboro.
